

Hardwood Flooring

Homes get engineered hardwoods or EVP as standard option for the “hardwood” areas.

Each floor plan has unique standard areas, so please see agent for details.

Level 1 - EVP Plank Flooring in Hardwood Inspired Look and Feel

Shaw - Resilient - Brio Plus

Level 2 - Engineered Hardwoods

Mohawk: Glenford Hickory

Mohawk: Stafford Birch

Level 3 - Engineered Hardwoods

Mohawk: McKenzie Maple

Product Data Sheets on Following Pages

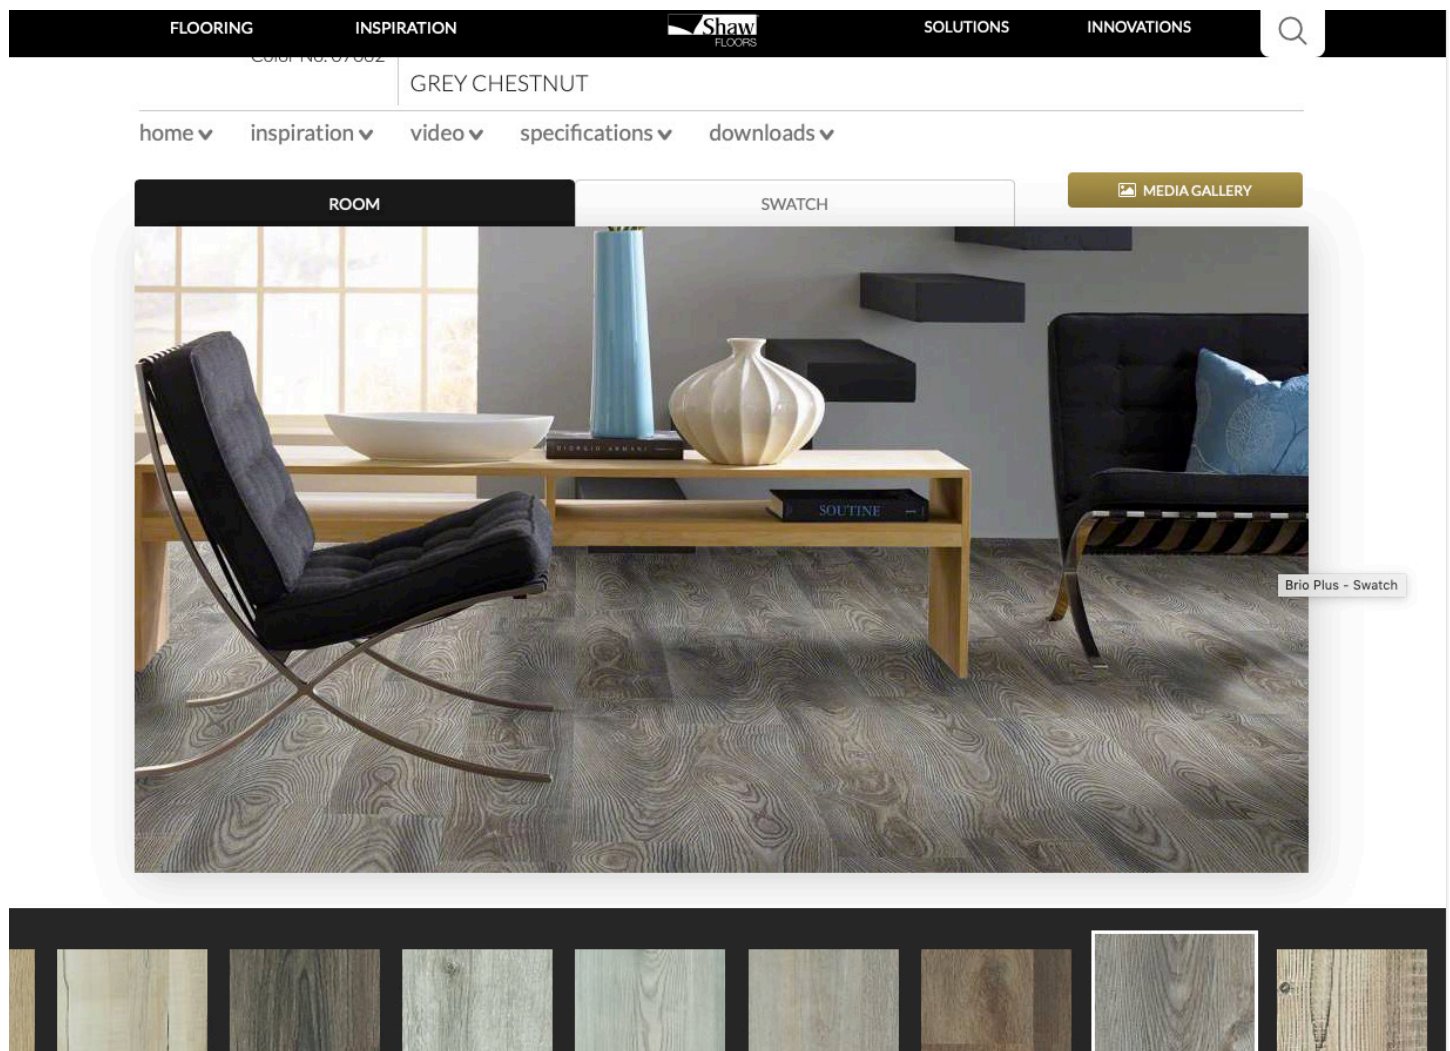

Level #1: EVP - Hardwood Inspired Flooring

Many of our customers have now been asking for a more water proof, more durable product in lieu of engineered hardwoods.

So we now offer the EVP in lieu of engineered hardwoods. There is no extra charge to opt for EVP in any of the standard areas already covered by engineered hardwoods. You can add more EVP in lieu of carpet in any area for an upgrade.

Wire Brushed Hickory & Low Gloss Finish

The wide planks of the Windsor Park Collection showcase the natural character and beauty of this hickory hardwood. With its wire brushed texture, low gloss finish, and beautiful hand stained colors, Windsor Park offers options for traditional, transitional, and modern home design.

We are proud to partner with [Twenty & Oak](#) to provide flooring samples of our Windsor Park Collection.

Moisture and Sound Control - No moisture testing required.
- HWADH Shaw Urebond Plus Adhesive
Slab moisture up to 80% RH / 8 lbs
- BTGAD Shaw Tongue and Groove Adhesive
Formulated for floating installations

This Shaw Duras hardwood is warranted that the finish will not peel off or wear through for 50 years.

This Shaw hardwood is approved for installation over water type radiant heated subfloors. Floating installation method only. Direct glue-down is NOT recommended!

This product features ScufResist™ PLATINUM - Shaw's extremely wear resistant UV cured polyurethane finish with Aluminum Oxide designed to help resist household scuffing on hardwood floors.

This hardwood is rated High color and character variation with distinguishable color variation within each box. It is imperative that hardwood planks from various cartons be continually blended during installation to insure optimum appearance.

This Shaw hardwood meets the GREENGUARD indoor air quality requirements and is GREENGUARD Certified.

This Shaw hardwood is Cradle to Cradle™ Silver Certified.

This Shaw product can be installed above, on or below ground level.

Made in the U.S.A.
